

***TYDE/KASA Water Games
of Summer 2010***

Join us for a fantastic evening of crazy water games, water slides, bounce house and other wacky adventures as we celebrate the ending of a wonderful summer. On Friday, August 20th, we will change the pool area over to the most unique swimming hole in Kernersville. Come, join us in learning about year round swim teams, all kids of water fitness, crazy water relays and have our own version of Water Wars between teams and families. All the fun begins at 6 pm rain or shine.

*Do you have what it takes to
be the Water Wars Champ?*
